**DECLARATION**

I understand that the Greek Bible College to which I am applying accepts people from varying evangelical backgrounds and different denominations and welcomes theological discussion. If accepted as a student, I will seek, by God's help to respect those whose views may differ from my own and to live in a spirit of Christian fellowship and love with all in the College community. I will seek to exercise appropriate self-control and spiritual disciplines to maintain and develop my relationship with God during my time at this institution.

I agree that training for effective Christian service involves spiritual development as well as academic and practical training. Towards this end, I agree to participate in the worship and prayer life of the College as well as in its course of study.

The information supplied in the essay and forms that I have completed are accurate and complete in every material respect. I understand that admission into the Alpha Program entails agreement to conditions attached and conformity to the rules of the College.

My signature below indicates that all the information contained in the essay is my own work, factually correct, and truthfully presented. My signature also indicates that I understand and agree to the items presented in the three paragraphs under "DECLARATION" directly above.
